What are you doing after school?

Some of your friends will be going away to college. Others to jobs. What are your plans?

If you haven't made any as yet, consider a job with today's Army.

We start you at \$288 a month and you may not even have to spend it. Free meals, free medical and dental care. And 30 days paid vacation each year.

We'll teach you a skill that can become a career in civilian life. Choose from over 300 matchless job opportunities . . . guaranteed in writing. And you can combine this with travel to Europe, Hawaii, Korea, Alaska and several locations in the U. S.

With our 180-day Delayed Entry Option you can sign up now and not have to report for up to 6 months, depending on the course you choose.

Wouldn't you enjoy your summer more if you knew where you'd be in the fall? Your local Army recruiter can tell you how. See him today.
